Stephanie's Dance Shoppe Handbook

Welcome to Stephanie's Dance Shoppe!

The handbook is your guide to Stephanie's Dance Shoppe and its philosophy of dance education.

We take our roles as a mentors and teachers in your child's life very seriously. It is our objective to inspire a passion for the art of dance and tumbling in every child who passes through our doors. In the process, we strive to set the right example and help your child (and you) create memories that will last a lifetime.

MISSION STATEMENT

Growing confidence with compassion, building community through connection, and inspiring children to let their inner beauty shine!

We believe that dance training encourages young people to develop a positive self-image as they increase awareness of their physical being. Along with improving coordination skills and developing muscular awareness, our classes give children the freedom to express themselves through movement.

The highest educational standards are expected from all Stephanie's Dance Shoppe faculty members. We are lifelong learners who continue to educate ourselves through certification programs, teacher-trainings, conferences, and other learning opportunities.

ABOUT THIS HANDBOOK

FOR MORE THAN 23 years our studio has been a leader in dance education in our community. We believe that our success comes as a result of providing solid training and quality service, as well as our underlying belief in the strength of our organization. We have created this handbook to offer our students and their parents a clear understanding of their commitments and responsibility to the school.

FOR OUR STUDENTS

The first step to becoming a successful dancer is making a solid commitment to your classes. Strong technique is a key ingredient and class is where you develop that technique. Come to each class prepared to learn and without personal distractions. Class time is your chance to focus on yourself, so try to leave your concerns or worries at the studio door. True progress is made when you look at each class as an opportunity to become better at what you love to do. Dance full-out, stretch a little further, become more aware of your technique; make the most of every class.

Respect for the teachers is essential. Listen to each correction given, whether it's directed at you or another dancer. A correction is an honor; it shows you how much a teacher cares about your progress as a dancer. Always say thank you when a teacher or choreographer offers you constructive criticism. Nothing can stop those students who apply themselves in every class and appreciate their teachers' knowledge and experience.

FOR THE PARENTS: "WE'RE IN THIS TOGETHER"

We believe that children's success depends on the support of their parents or guardians. Because your commitment to the process makes an enormous difference, we encourage you to be a part of your child's dance education.

Our programs rely on a positive atmosphere and educational experience for our faculty, our students, and their parents. Cooperation between all parents is expected. Showing respect—for other parents, the students, and the faculty—makes an important impression on the children. You are a role model for your child about how to interact with others in a professional setting.

Your child's presence at all classes is imperative. The spirit of teamwork and the lesson of dedication are a big part of our school's educational process.

Parents and teachers may look at a child's learning from different perspectives. However, we believe they share a common goal: to ensure that every child receives the best possible training, both physically and mentally. Mutual respect among our faculty and our students' parents provides the children with the ultimate care and education.

SPECIAL INFORMATION FOR PARENTS OF BRIGHT BEGINNINGS STUDENTS

Our purpose is to provide the highest-quality preschool education in a secure, nurturing, and stimulating environment. Stephanie's Dance Shoppe serves the physical, emotional, and intellectual needs of the preschool students. We meet these goals with our age-appropriate curriculum and ongoing communication with parents.

The first few weeks of classes serve as an introductory phase to help students become comfortable with the overall dance experience, the classroom, their teacher, and their classmates. Right from the beginning we focus on your child's coordination, listening skills, musical awareness, and developing imagination. We accomplish this through age-appropriate music and song, simple stretching exercises, ballet, jazz tumbling basics, and games in an environment of creativity.

Preschool dance is about helping children learn to tap into their imaginations and express themselves creatively, not necessarily about learning steps (although they do get introduced to some basic steps).

So don't be disappointed if your child doesn't pirouette around the house or look like a budding ballerina right away. They will get to this point! Celebrate the journey along the way!

Separation From the Parent

The process of separating from the parent as the child attends dance class is an important accomplishment of preschool children. As children mature, they begin to identify themselves as independent personalities. In separating from you, the parent, your child is learning:

- to develop an interest in the activities of the dance class;
- to feel comfortable with other children in the class;
- to understand that his/her parent will come back and pick him/her up;
- to understand that all parents leave their children and come back for them.

It is important to know that at times young children will explore the limits of attending dance class and say they don't want to go. This period may occur anytime, but it is usually short-lived. Here are some suggestions that might help you handle the situation:

- Emphasize what the child is doing at the dance class rather than what you do while he/she is in class
- Before you leave, see that the child is involved in an activity or is in the hands of a teacher
- Avoid prolonged good-byes
- Ask the teacher for help in separation, and know that we expect occasional crying (usually the tears are for the parent's benefit)

It May Not Be the Right Time

If your child cries or does not want to take class, don't panic. If we push children and create more stress than they are already experiencing, they may come to perceive dance class as a bad experience. That kind of negativity could make them apprehensive about dance for a long time, which isn't good for anyone involved. Never force your child into the classroom.

We recommend that children be encouraged to practice at home but not forced to do so. Repetition is one of the key elements for success with preschool dance students; the more they practice, the more confident they will feel. Practicing with your child allows you to join in the dance experience.

FOR ALL PARENTS AND STUDENTS

Understanding Dance Education

As a parent, you play an important role in supporting your student financially, but your emotional support is of equal—and perhaps even greater—value. Encourage your child to be the best that he or she can be regardless of what others may achieve. Dance is an individual art form and children need to be allowed to achieve at a pace that's comfortable. No two students will progress at the same rate, even if they experience the exact same training. It's important to encourage children to focus on themselves, give their all, and be satisfied with their own accomplishments.

Not all children will develop into professional dancers. One of the primary goals of our faculty is to teach life lessons and skills that offer children the best chance for success. Dance education encompasses far more than technique and the steps your children learn. We believe the discipline of dance training gives young people a better understanding of commitment through learning, experiencing the spirit of teamwork, and discovering what they can accomplish through hard work. Our goal is to educate the minds, bodies, and souls of our students, teaching them the skills needed for a successful life, whether or not they stay involved in dance.

Class Placement

The school faculty meets regularly to discuss the students' progress and/or placement. It is our policy to offer appropriate opportunities to every child.

Placement decisions are derived from many years of teaching experience. Often a child is placed in a particular group or class where he or she will feel confident, in order to promote the development of self-esteem. Some students who are placed in a higher level become discouraged, only to lose their passion for dance. Others respond to the challenge of being in a class with students who are more proficient by pushing themselves to work harder. Placement is highly individual and the factors that go into the decision are complex.

Classroom Observation

In-class observations take place during the second week in December. This is the chance for you to see firsthand what the classroom experience is like for your child.

Never disrupt class. During the in-class observation week (or at any time if the door to the classroom is open), please refrain from shouting instructions or distracting your child in any way.

Medical Information

Parents must notify the director/and or teachers regarding children who use an inhaler or who may require medications during their time at Stephanie's Dance Shoppe. It is also important to inform the director and/or teachers about your child's existing medical conditions or learning disabilities at the time of registration and throughout the school year. Our teachers are trained professionals who are anxious to work with all children and personalities, and the more we know about your child, the better the dance experience will be for all involved. All information about our students is confidential.

- Dancewear is to be kept in good repair and laundered on a regular basis

Discipline Policy

In order to maintain a happy and professional environment, students are taught the importance of being part of a team. We encourage students to have respect for other students, the teachers and staff, and studio property, and we foster the development of good habits and compliance with rules of conduct.

Our staff and faculty are trained to use constructive techniques of discipline to maintain class control and handle individual misbehavior.

- Children who exhibit unacceptable behavior or attitudes are told what is wrong and directed to a positive alternative approach or behavior.
- Children who are disruptive will be respectfully asked to stop the behavior. If the behavior is repeated, they will be reminded of it and told how it affects others. If the disruption continues, the children involved will be asked to sit down for a short period of time (usually three to five minutes) before rejoining the class.
- If a child's misbehavior continues to disrupt the class, the parent or guardian will be called to pick up the child.

Termination of Enrollment

In certain circumstances, when it is in the best interest of one or more students, it may be necessary for the studio owner or director to terminate a student's enrollment. Every effort will be made to correct a problematic situation before terminating enrollment. Reasons for termination of enrollment include the following:

- Disruptive or dangerous behavior by students or their parents
- Abuse of other children, staff, or property
- Inability of Stephanie's Dance Shoppe to meet the child's needs

Arrival and Departure

We encourage students to arrive **5 minutes** before class starts.

For their safety, children under age 10 should be picked up immediately after class. Students age 10 and older must be picked up no more than 5 minutes after their class is completed.

Attendance

All students are expected to attend their regularly scheduled classes. Each class offers a step forward in the educational process. A missed class could leave a child one step behind the other students. It is important for children to feel completely confident with the choreography and the year-end performance. Missing class during this period could result in frustration for the students, their teachers, and classmates.

Tardiness

Dance is a physical activity that requires the body to be warmed up in order to execute movement safely. Late students miss the proper warm-up and/or barre and therefore may sustain injury. Students who arrive more than 10 minutes late may be asked to observe class for reasons of personal safety.

Class Visitors

Safety issues and legal responsibilities make it impossible for us to allow students to bring visitors into the classroom. Students should not invite siblings, other relatives, or friends to their classes unless the director has given prior authorization.

Lost and Found

Please mark all dancewear, shoes, and personal items with your child's name. We will make every effort to locate and return lost items; however, we cannot be responsible for any items that your child brings to class. Items that are left at the studio for longer than 14 days will be donated to local charity.

Illness

Colds, flu, and other contagious diseases occur frequently and spread easily among children. To help protect your own child's health and to minimize the possibility of contagion at studio, please keep your child at home if you observe any of the following symptoms:

- Nasal discharge that is green or yellow
- Complaints of ear pain
- Consistent cough
- Severe sore throat
- Eyes that are pink, burning, itching, or producing discharge
- Diarrhea or vomiting
- Fever of 99* or higher

If these symptoms or other conditions deemed contagious are observed in your child during a class, you will be called to pick up your child immediately.

Emergency Evacuation

Although we have never experienced an emergency evacuation at the school, we are prepared for such a circumstance. Emergency exit is at the side door of the studio. Students are to evacuate quietly and walk in single file as quickly as possible to the designated area, where teachers will check roll. Students and teachers are to return to classrooms and buildings when the all-clear signal is given.

Parking Lot Safety

The school is home to children of all ages. Please enter and exit our parking lot with extreme caution. Never park your vehicle in any area that is not a designated parking space. If you park in a space that is very close to the building or its windows, please do not leave your car idling. Please do not allow siblings to play in the parking lot.

Student and Parent Use of Social Media

Use of Facebook, Twitter, Instagram, SnapChat, BeReal, and other online social-media vehicles is commonplace. This policy is intended to provide Stephanie's Dance Shoppe students and parents with guidelines to eliminate any confusion concerning the use of social media.

- You do not have permission to reveal any information that compromises Stephanie's Dance Shoppe. By that we mean you are forbidden to share personal information about the director, staff, other students or their families, or anything that is proprietary and/or confidential to them or Stephanie's Dance Shoppe.
- Students and parents should neither claim nor imply that they are speaking on behalf of Stephanie's Dance Shoppe

- Never post anything that could compromise the self-esteem of students who attend Stephanie's Dance Shoppe
- If you post videos of class or rehearsals, don't post any choreography in its entirety; Stephanie's Dance Shoppe owns the copyright to all choreography taught at the school.
- Respect the law, including those laws governing defamation, discrimination, harassment, and copyright and fair use. As stated in this handbook, parents and students should never post negative comments about other studios or teachers. Also, please do not post negative comments about studio activities such as competitions, conventions, & performances or about the directors of those events.
- Ensure that your social networking conduct is consistent with all of the policies contained in this handbook.

General Policies

- Parent and students should not enter the office space of the studio. Please feel free to communicate at the front desk, or ask for a private space
- Parents and students should never interrupt a class in session
- Only water is allowed in the studio; no other drinks, food, candy or gum
- We love babies & young children and appreciate the chance to meet our students' siblings. However, our priority is the safety of every child on the studio premises. Children must be supervised at all times, and are not free to run around the lobby or classroom areas.

- Students and parents are restricted from contacting teachers by phone, email, text messages, Facebook message, etc. All communication goes through the Stephanie's Dance Shoppe office
- Never speak negatively about teachers, students, or parents from other studios
- All students must show respect for their teachers at all times. Inappropriate behavior could result in dismissal from the studio
- If an issue arises for your student, we ask that you bring it to our attention by email. We want to provide an environment that is conducive to learning for every student. Please know that we cannot fix a problem if we don't know there is one

Annual Spring Performances

Additional rehearsals may be scheduled for students aged 6 and older at the discretion of the teacher/choreographer. Parents will be notified of additional rehearsals at least two weeks in advance.

All students participate in our annual recital. Please note that all students must participate in the dress rehearsal in order to perform in the recital. There are no exceptions to this policy. The recital offers our students a professionally directed performance that allows them to present to their families and friends the results of a year's hard work, dedication, and progress.

A big part of dance training includes learning through performance. Although performance opportunities can help prepare some students for a possible career in dance, they also contribute to children's success in non-dance activities. The experience helps build self-esteem and confidence, which can result in better in-school presentations, improved social skills, and strong college and job interview skills. The rehearsal process is a tremendous learning experience as well. It helps the children develop retention skills, and by working with their classmates on a group performance, they learn the positive aspects of working as a team to create the best end result.

Costumes

We spend many hours determining the costumes for each class. They are always age appropriate and of the highest quality possible. Costumes include all accessories (hats, gloves, tights, etc.).

To ensure that costumes are delivered in time for studio photographs, and an organized distribution to our students, costume orders are placed in the fall. Costume manufacturers do not accept cancellations or offer refunds; therefore the studio does not refund costume deposits after October 31. Costumes will be ordered for your child, unless we receive notification, in writing, that your child be withdrawing from classes. Costume payments are the sole responsibility of the parent or guardian.

Recital Tickets

Tickets for the annual recital will go on sale online approximately 3 weeks before the recital. Tickets are \$15.00 each for admission, and the performance is reserved seating. Tickets will be available for purchase at the door on dress rehearsal & recital unless we are sold out. Online ticket sales will end 24hrs before the recital.

No one is admitted to the recital without a ticket. Bright Beginnings students will receive 1 free ticket to sit with their parents. Any person attending the show age 2 and under may sit on a lap at no charge.

Recital Photos

Class photos will be taken the first week of May at the studio. Dates and times are subject to change. All students are required to be present for their class picture. After the group photo shoot, students may choose to have solo portraits made in any or all of their costumes. There is no obligation to purchase photos, we like to have all students in our group photos though! Please arrive 15min before your child's scheduled time since photo shoots tend to run ahead of schedule.

Recital Commitment

When registering your child at Stephanie's Dance Shoppe, you commit yourself and/or your child to our annual shows – Recital, Showcase and all rehearsals.
